A TIKKUN MAGAZINE PUBLIC FORUM

The fervent attempt by virtually every major U.S. newspaper and magazine to discredit Oliver Stone's movie rendition of the Kennedy assassination suggests that ruling elites in America 1992 have much at stake in discrediting the contrived official history of the 1960s. Why do they care so much?

JFK...

the assassination, the movie, and the desperate attempts to discredit the movie.

Speakers:

Peter Dale Scott

whose research on the assassination was cited by *JFK* producer Oliver Stone and is now being attacked by the media

Todd Gitlin

author, *The Sixties*

and others
